

FANCHETTE

FANCHETTE

Yes. She was hanging on his arm. And she was very excited and talking very loudly. Then she stopped and waved her arms like this. (She demonstrates.) Then the Doctor stopped and he waved his arms like that. (She demonstrates.) And they kept shouting "Figaro this and Figaro that... Figaro, Figaro, Fiii-garo..." You could sing that.

Monsieur Le Comte? You have forgiven me for yesterday, haven't you, when you bursted into my bedroom, took me in your arms and said "Fanchette..."
